If you are coming from Stoupa, the turn off will be on the right hand side of the road. Please scroll down to see all the maps so you can get a better idea of the layout.

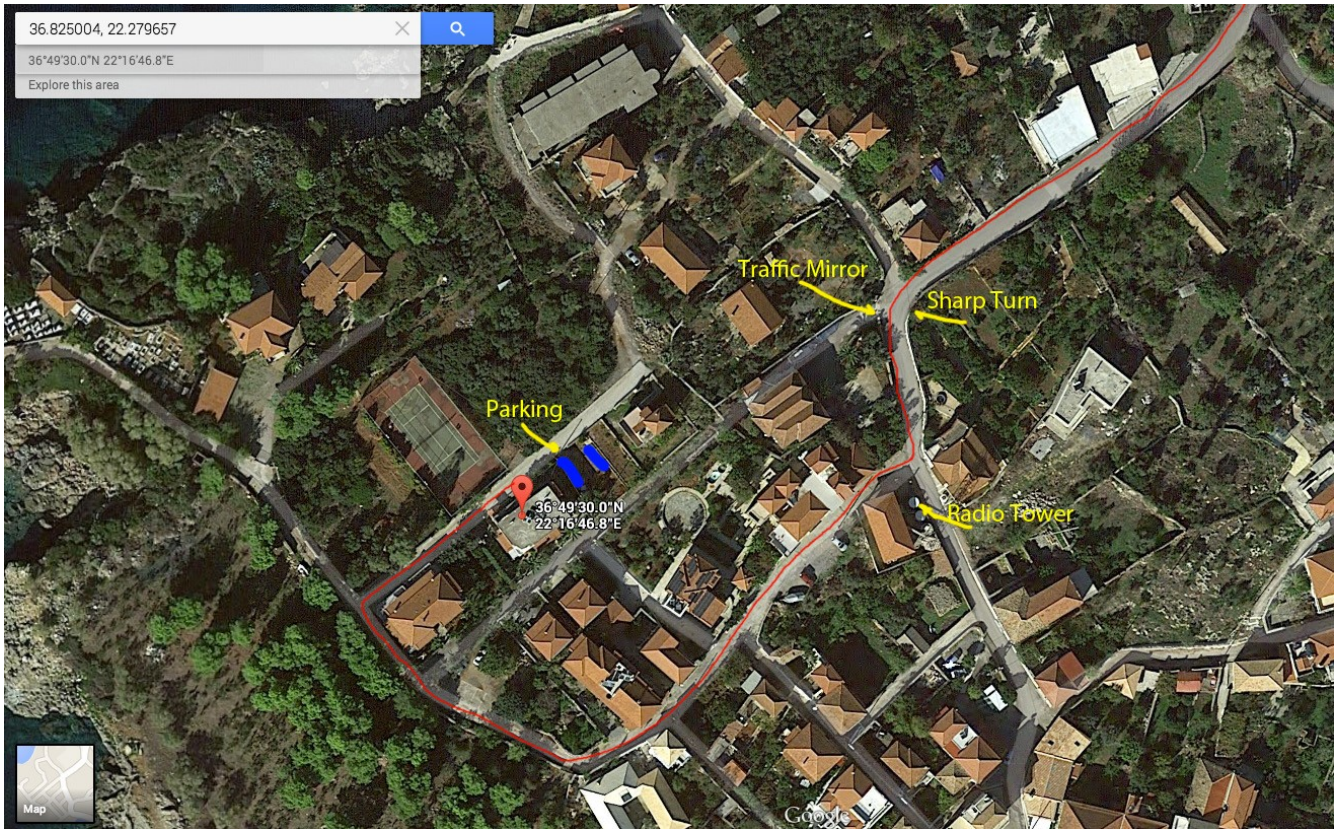

If you are coming from Areopoli, you will pass there are three entrances into Ag Nikolaos. So you want to keep going until you get to the turn off I have marked. You will turn left at the little church and the night club called Public, with a large night life mural.

This map shows the turn off. Look for the small Church, the night club Public, and the Gas station.

The turn off is tricky. You are going to follow the road in around a rather sharp corner. The turn off to Anna Maria Studios is the first turn off on the right. The house is across the lane from the tennis courts. And you can park in the blue areas.

Arriving by Bus :

If you arrive by bus and are walking to our studios, you can follow the yellow footpaths or the red road. The bus drops you off at Gregory's Cafe. Down the hill is the Marian, you need to find your way up the hill.
